

ISU Summer

Swedish Language Program

Come and study Swedish in the well renowned university town of Lund in southern Sweden!

Our summer program provides an excellent opportunity to learn Swedish while also discovering Swedish culture and society. The ISU Program offers intensive three-week sessions and a super intensive two-week session this year in August.

Each session includes 50 classroom hours of language instruction. You practice all four language skills - listening, reading, speaking and writing with emphasis on communication. Levels range from beginner to advanced fluency. Taught by highly qualified, experienced teachers of Swedish as a Foreign language, classes are held in Swedish from the very start.

In addition to the Swedish language instruction, the program includes museum visits, social activities and excursions to places of historical and cultural interest. These activities are included in the program at no extra expense.

You may choose to study one or more summer sessions.
