Swedish as a foreign language

Learn Swedish at Folkuniversitetet in central Stockholm! Join us for a fast-paced, fun-filled course with the best teachers in town. We focus on learning through speaking and of course, we only speak Swedish in class.

About our courses

Our courses are designed for people who wish to study Swedish for professional or personal reasons. Our experienced team of teachers in Stockholm are looking forward to meeting you in the classroom or online! All levels, from beginners to advanced, are offered throughout the year.
