Swedish Summer Courses 2025

Learn Swedish at Folkuniversitetet in central Stockholm! Join us for a fast-paced, fun-filled summer course with the best teachers in town. We focus on learning through speaking and of course, we only speak Swedish in class.

Why study Swedish at Folkuniversitetet?

Folkuniversitetet has been organising courses in Swedish as a foreign language for fifty years. The courses are designed for adults with high demands on quality and professionalism.

- Experienced teachers teach exclusively in Swedish.
- Develop all four language skills with the main emphasis on spoken communication.
- Every course has its own course plan.
- The levels in our course plans correspond with the Common European Framework of Reference for languages (CEFR).

About our courses

There are courses at all levels from beginners to advanced and each level takes approximately sixty hours to complete. Please see the diagram on the following page.
