EQAFIT

Enhanced Quality Assurance in the Financial Training

Our 1st Results are here!

Have a closer look on our 1st Results

Compendium of Good Practices

In this Compendium you can find actions that foster a high-quality VET environment, with a particular focus on the review phase of the PDCA cycle and on feedback loops.

Tools and Guidelines
INTELLECTUAL OUTPUT 1- ACTIVITY 4

The Tools & Guidelines include suggestions and recommendations on how to improve different aspects of their Quality Assurance systems.

Coming Soon!

We are excited to announce that soon we will have the next result ready for you, the Model for Feedback Loop aligned with the real needs and challenges of VET Providers.

EQAFIT

EQAFIT

EQAFIT OBJECTIVES

1. **To improve QA systems in VET programs**, focusing on the sustainability of feedback loops. We are developing _Guidelines and Tools_ to support VET Providers to:
   - _improve_ Quality Assurance systems or
   - _set up new_ ones.
2. **To develop an Online Service for VET Providers**, fully customizable, accessible and innovative. Will include the _Graduate Tracking System_ and integrating all the other Project's results .

TARGET GROUPS

1. VET Providers acting in the FSS
2. VET teachers & trainers
3. Business Sector
4. FSS institutions

Contribute to a quality FSS culture!

Creating an innovative environment for QA culture and models in FSS VET programs
