COOL

The COOL project aims to create open learning spaces to disadvantaged learners to improve the access to lifelong and civic learning to provide a system of more appropriate learning modalities.

Project funded by the European Union.

AGREEMENT NUMBER

KA220-ADU-000026681

START DATE
01-11-2021

DURATION
24 MONTHS

EMPOWER DISADVANTAGED LEARNERS TO SEIZE THEIR POTENTIAL AND OPPORTUNITIES WITH OPEN LEARNING

Problems faced

- **Digitalisation**
- **Migration**
- **Climate change**
- **Social cohesion**

W E aim to:

- Empower disadvantaged groups to become social innovators;
- Create open spaces for learning and development;
- Create a methodology to facilitate open learning;
- Train and qualify AE professionals to become "Learning and Development Facilitators".

Our first results

Result 1

is **the COOL Exhibition**, which creates a growing virtual, multimedia compendium. It curates Best Practice examples of existing open learning approaches and spaces on three levels: 1. in real life hubs, 2. in virtual open learning spaces and 3. in mobile learning environments.

Key summaries of the meeting:

- All partners have intensively studied and collected their examples of good practice, which were presented as the artifacts during the COOL Exhibition.
- Partnership had chance to explore perspective open learning cases selected by their partners.
- The first project phases up to the Beta Version of the inventory.
- As the next step was agreed that BUPNET as digitalisation expert will set up the structure of the database for the virtual exhibition.

Welcome to your virtual exhibition guide!
