Shaping the Future of Creative Entrepreneurship: BuSYouth Pilot Phase Insights

Exciting Updates from the BuSYouth Pilot Phase!

The pilot phase of the **BuSYouth tools and resources** is in full swing! Across our partner countries, **10 eager participants per country** have been testing and sharing their feedback—some have already completed their trials, and we're excited to bring you a sneak peek at the results.

What's Being Tested?

The pilot phase is evaluating three key resources designed to **empower young entrepreneurs in the cultural and creative industries**:

- The [BuSYouth Training Course](#) – An interactive learning pathway for developing entrepreneurial skills.
- The [Online Assessment Tool](#) – A self-assessment platform covering six essential content modules.
- The [Online Creative Hive](#) – A dynamic educational resource hub.

With a **blend of online and face-to-face activities**, participants have been diving into the content and experimenting with the tools.

**Co-funded by
the European Union**

What's the Feedback So Far?

Engaging & Well-Structured Training – Participants appreciated the clear structure and relevant, up-to-date learning materials, including videos and case studies that enhanced their understanding.

User-Friendly e-Platform – The digital platform received high praise for its intuitive navigation and accessibility, ensuring a seamless learning experience.

Comprehensive Certification Exam – The assessment was seen as thorough and relevant, though some participants suggested tweaks to the number of questions and time allocation.

Time Constraints – Some raised concerns about the time required to complete both the training and assessment.

What's Next?

This pilot phase is crucial for refining our tools before the official launch. A huge congratulations to all partners and participants for their valuable insights!

Stay tuned for final results and updates in our next newsletter. Your feedback is shaping the future of creative entrepreneurship!
